Exploring Bangkok

by Adam Storm

Last month I was in Bangkok and I wanted to try Thai food. The hotel receptionist told me about a good restaurant near the Chao Phraya River. I decided to go on foot and explore the city. But I soon got tired and took the bus. There was a lot of traffic, so I got off and decided to go by underground. I found an underground station easily.

I got off two stops later, but I couldn't see the river or

the restaurant. I didn't know what to do. 'Do you need help?' a man asked me. I was so happy! He could speak English very well! I asked him for directions to the restaurant and he said, 'Oh, you're on the wrong side of the river. It's on the other side.' So, I took the ferry. Then I took a *tuk tuk*. It's a kind of taxi and it's very popular in Bangkok. It took me to the restaurant, and guess what! It was closed.
