### 3. Reading.

# Read and choose the correct headings

1. \_\_\_\_\_

The headmaster of the school is the key stone of every aspect of it. It means he is the seal and school is the waze..... He is the organizer, leader, governor, business director, teacher, coordinator, friend, philosopher and guide.

2. \_\_\_\_\_

As every headmaster starts his career as a teacher his position is like a gardener who tends every plant in the school garden with his love, affection and guidance.

3. \_\_\_\_\_

In a school the headmaster occupied a unique position as he is the centre of maintaining instructional relationships-teacher-pupils, teacher-parents, teacher – teacher.

4. \_\_\_\_\_

The headmaster is not only the leader of the school administration and management but also a leader of the society as the school is a society in miniature and the entire societal picture is reflected in school. He is also regarded as the leader of the society. Hence the headmaster, who is he leader of the school, has also to act as the leader of the society.

5. \_\_\_\_\_

The headmaster should have some distinguished qualities which will certify his integrity as a good headmaster. He must be polite and intelligent. A good headmasters is a well-organised person as he needs to do lot of work: to organise school lessons, teaching, meetings, and a lot of other things.

**A. Gardener of the School**
