MUSIC ... MUSIC ... MUSIC ...

We hear so much music in a week that we may not even notice some of it. Some days you may hear a school band, an orchestra or music in a church. You may hear music on *YouTube* or on the radio. You hear music during television shows and films ...

You should know music is a language. People use it to express moods and feelings. Some music is happy, and another¹ is sad. Some is serious, and another can make people laugh. Many popular songs are love songs.

¹another [ə'nʌðə] — інший, інакший, відмінний

Lesson 2

People make their own music, too.

Whenever you hum or whistle¹ a tune, you are making music. Classes and choirs sing together. Many boys and girls study to become good musicians. They may take singing lessons or learn to play a musical instrument.

And what about you?
