Dear Olivia,

How are things? I hope you are well. I went on a school trip last Friday and I had a fantastic time. We went by coach to the city and visited the Science Museum. We arrived there at about 10:30. It took us two hours to get there because of the traffic, but we didn't mind. We had fun on the coach, too. We spent all day at the museum and we saw old and new inventions and fossils of dinosaurs. We even watched a brilliant 3D film. My favourite place, though, was the experiment room. It was so cool! We could do our own experiments! What a day! It was the best school trip ever!

Speak to you soon,
Carol
