Teens in the headlines

Lucky teen wins dream trip

Last Tuesday, teenager Jane Robson, who is a student at Kingsford School, won a dream holiday, just by going shopping. She was the 1,000,000th customer at Megabucks supermarket and she won a trip for two to New Zealand. 'It's amazing! It's the first time I've ever won anything,' says Jane. And it seems **it** was the perfect prize for **her** too. 'I'm so lucky. I won a trip to New Zealand, which is the country I've always wanted to visit,' she says. Sixteen-year-old Jane is going on the trip with her dad, but she feels sorry for the other customers. 'It doesn't seem fair,' says Jane. 'I only went in **there** for some chewing gum and all of a sudden I was the person who won the trip.'

1st prize for teen artist

Gilford Council announced the winner of their wall design competition last night. **They** wanted local artists to design something to go on the huge north wall of the new town hall. Thousands of artists entered the competition but the artist who won isn't famous. **He's** a student called Tim Blake and he's just thirteen. 'The design which Tim created is colourful and fun, and **it's** just the sort of image that we wanted to brighten up the town,' says Leona Wilkins, the organiser of the competition. Tim was really surprised with his win and wants to enter more art competitions now. Tim's design is going to appear on the new town hall, but he also won £5000. He's going to give some money to his brother, but he's not sure what he wants to do with the rest of **it** yet.
