2 a) Listen to the boy and read what he says.

I like reading. I often go to the school library after school. Sometimes I just flick through music magazines to find out about new CDs or concerts. I also borrow books that are on my reading list. Some of them are OK but some are boring. I read other stuff as well. I usually take out 2 to 3 books. I never take out more than 4, that's how many you can take, actually. I always ask Miss Havilland for advice. She helps me pick out one or two. I look at the cover first. I like fantasy novels like *The Hobbit* or *The Chronicles of Narnia*. I often take adventure books like *Robinson Crusoe*. I sometimes take non-fiction. For example, *Great Mysteries of the World* or the *Guinness Book of Records* or some books about animals. Do my parents read a lot? Well, I just live with my mum. She is always busy, but when she has time, she reads books about music or crime stories. She's fond of Agatha Christie.
