My Attitude to Sports

Everybody knows that sport is very important to keep people fit. We all need exercises if we want to be healthy. Regular exercises give us more energy. If a person does daily exercises he feels refreshed and optimistic. Each man should do all possible to stay healthy.

Sport is very popular in my family. My Dad goes jogging every morning in the park. I do morning exercises and ride a bike. My mother attends a fitness club twice a week. On Saturday morning we go to the swimming pool together. Swimming is the best sport activity to feel strong. In spring and in summer I often play badminton with my friends on the sport grounds. It's very exciting. We have got a lot of fun.
